This Is Our World

This is our world. It's where we live, learn and love.

Live

Being together through this year of school we lived through many events. We showed spirit in both fun and learning. The faculty and students worked together in their classrooms. We lived and learned new ideas and experiences. We learned of love, living in togetherness as classmates or teammates.

Learn

Even though our world is small - a one block school campus in a successful community - we live big dreams together. Involved in the many activities and clubs sponsored on campus kept everyone bustling. Competition was intriguing. Achievements were hard to come by.

Everyday life was common in our world. Sidewalks were tread with thousands of shoe steps. Students breathlessly climbed stairs. Books and lunches were shifted. Smiles were met along the way. Acceptance and friendship found love in our world.

Love

Students at PHS expressed love for the school and it's football team by getting involved in the activities planned for Hammond Week. Even though the game wasn't a victory, everyone enjoyed participating. The activities included; 50's Day, Inside e-out Backwards and crazy socks Day, Green and White Day, Jersey Day and a Bonfire.

Is the WORD

This year at PHS, spirit was demonstrated by the great amount of student participation shown. Each week a different activity was planned in an effort to get everyone involved. All pep rallies ended in traditional class competition, whose enthusiasm rallied the team on to greater effort.

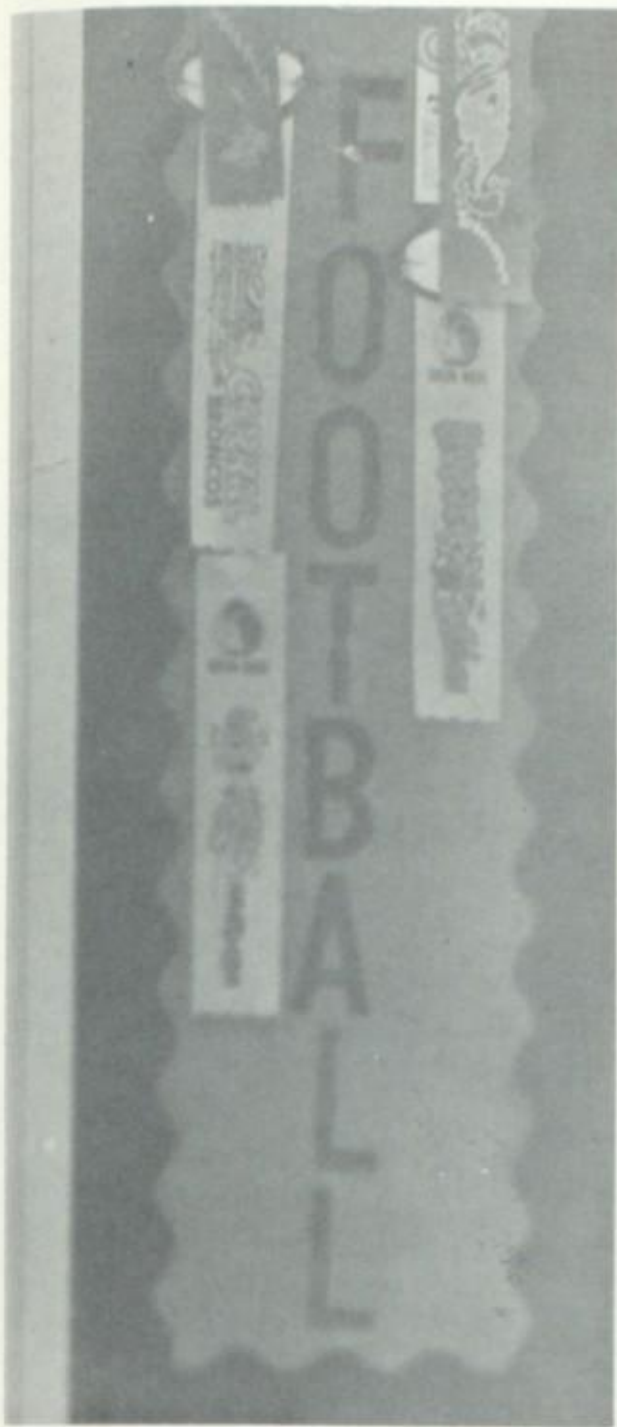

Just Foolin'

Around

Outside of the daily day-to-day routine of P.H.S., students found time to relax, have fun, and do crazy things. They did it before school, after school, in the lunchroom, and even in class. All of this activity can be summed up in three words . . . just foolin' around.

Mr. and Miss Ponchatoula

Allen Basso

Tammy Alvaro

High School

James Square
runner-up

Terri Gouedy
runner-up

Singled out to symbolize the characteristics of personality, academic achievements, and leadership at PHS this year was Allen Basso. In addition to maintaining a "B" average, he also displayed outstanding talents as a member of the varsity football squad. Besides serving as Sophomore Class President, Allen was also elected class favorite for three consecutive years. As one of the finer members in Interact, he held the offices of Secretary and President. Allen was a FHA beau and a member of the Future Farmers of America.

Felicia Tamara Alvaro, better known as Tammy to those blessed with her acquaintance, honored the title of Miss PHS in 1979. She did a great job as Features Editor in the Cypress Bark by keeping the students informed of the latest trends. Because of her academic excellence, she was chosen to be a member of the National Honor Society. Tammy was a participant during half-time shows as captain of the Flag Corps, and also a senior maid on the homecoming court.

Homecoming PHS vs. St. Paul
Queen—Terri Adele Gouedy

Flowers, Excitement, Tears— Yield Homecoming '78

The student body of Ponchatoula High celebrated Homecoming week (Oct. 23-27) by participating in such activities as: sneaker day, green and white day, 50's day, and jersey day.

On Friday, the students assembled in the gymnasium for a Pep Rally, where the twelve members of the court were presented to the overwhelmed and anxious student body. Members of the court this year were: Seniors—Myra Jones, Theresa Hill, Terri Gouedy, Barbara Keaghey, Tammy Alvaro, and Sonya Richardson; Juniors—Gwen Lewis, Chris Powell, and Gale Davis; Sophomores—Sonia Lewis, Pam Alvaro, and Judy Bass.

The highlight of Homecoming was the crowning of the lovely and talented Terri Gouedy, the 1978 queen, at halftime ceremonies of the St. Paul game Friday night.

Imaginary 51st State

Eleven citizens were chosen to represent PHS at Pelican state. They were elected because of their leadership and service in the community and sponsored by several town merchants. The students traveled to the LSU campus vaguely knowing what was in store for them. When they arrived they began to organize their city, elect officials, and merge into parishes. They walked everywhere they went, and ate three square meals in what little time allotted, cheered, slept very little, and elected a governor of the now complete, imaginary 51st state. Ten citizens chosen from PHS are shown here prepared to show spirit on 50's Day. Not pictured is Keith Warren. Front row—Cindy Mathes, Sheryl Wells, Carol Bodker, Judy Heitman, Back—David Clegg, Joey Way, Phaedra West, Sheila Vicknair, Mark Anderson, and Marc Steib. What did they think of Pelican State?

Sheila—A most outstanding and trying experience educating me in areas of which I was unfamiliar. It was definitely a once in a lifetime experience.

Judy—A great ordeal but worth the knowledge of politics. The chance to be a part of a real government in action.

Sheryl—It was a new experience. I learned a lot about politics and getting along with people. A bunch of fun, loads of laughs, with just winks of sleep.

Cindy—A lot of work and no play.

Marc—I could sum it up in 3 words: WORK, WORK, WORK!

Joey—Hours were 6:30 p. m. till whenever, your pay—physical and mental exhaustion. But if asked to do it again, You bet I would.

3.5 or Better

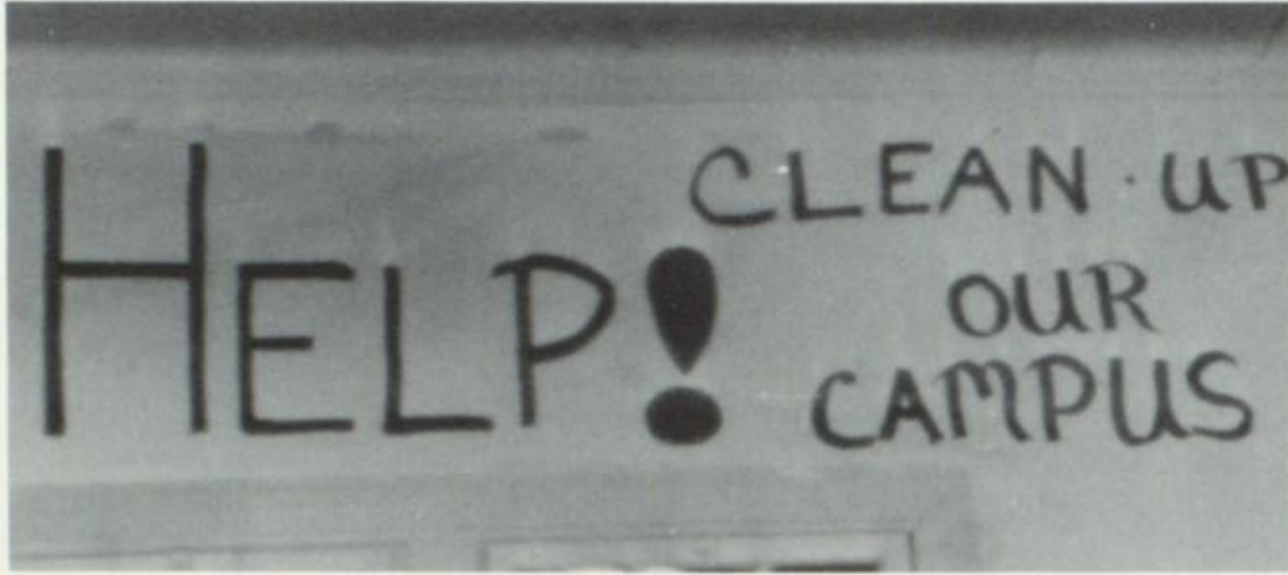

President—John Wilde
 Vice President—Mark Anderson
 Secretary/Treasurer—Jackie Pepitone
 Historian—Wendi Williams
 Parliamentarian—Marc Steib
 Members from top are Marc Steib, James Square, John Wilde, Charles Shaw, Mark Anderson, Donnye Bourn, Jerry Coleman, Wendi Williams, Jackie Pepitone, Tammy Alvaro, Sponsors—Mrs. Butler, Mr. Soutullo, Mrs. Fournet, and Mrs. Harris.

The Ponchatoula Chapter of the National Honor Society selects its members on the basis of service, leadership, and academic excellence. Once the members are chosen, they are inducted as official members at a most serious and solemn occasion. After the senior members are gone, the newly inducted members preside.

This year the inductees strove with a mysterious underlying force to continue keeping their grade point average at 3.5 or better. Mrs. Richardson came in handy there by always lending a word of encouragement. They also displayed salesman-like initiative when the annual Book Fair went underway. The Society met about once a month to discuss upcoming events.

Leadership of Student Council's 1978-79 President—James Square had an affecting influence on the Student body, along with the support of the Vice-Pres.—Mike Gibson, Secretary—Susan Pevey, Treasurer—Gay Robertson and Parliamentarian—Judy Laurent. They lead the students and faculty in many activities and related programs. Such activities as a Basketball Throw Tournament and Teachers' Baby Picture Contest to raise money for the Heart Fund and March of Dimes. Also when the den was temporarily closed, Student Council held a 'Clean-up our Campus Week'. Each lunch was responsible for picking up paper making the den open for whoever did the best job. They issued parking stickers, permitting campus parking; held a Yearbook sales Contest to raise the number of yearbook sales, issuing a free yearbook to a member of the class who bought the most yearbooks. They also sold concessions at one of the home football games. The representatives of each Homeroom class gave reports of the H. R. Students discussing planned events.

Jr. Spirit Aids Sales

The 1978-79 Junior class had more than Junior Spirit. They had a will to top the magazine sales of last year's Juniors the Seniors of '79. The money the Jr. class raises from their magazine sales is used when they are Seniors to pay for a Sr. Trip and party. Before the sales are begun the name of a member of the class is drawn. When the sales are over, the total amount of sales this mystery person has sold is paid to him or her. The mystery salesman this year was Pete McKean who made no sales, and therefore received no money. Prizes were awarded to the top salesman of each day and to those who sold over \$100 a banquet was given. The top salesperson over all for this year was Alisa Egnew.

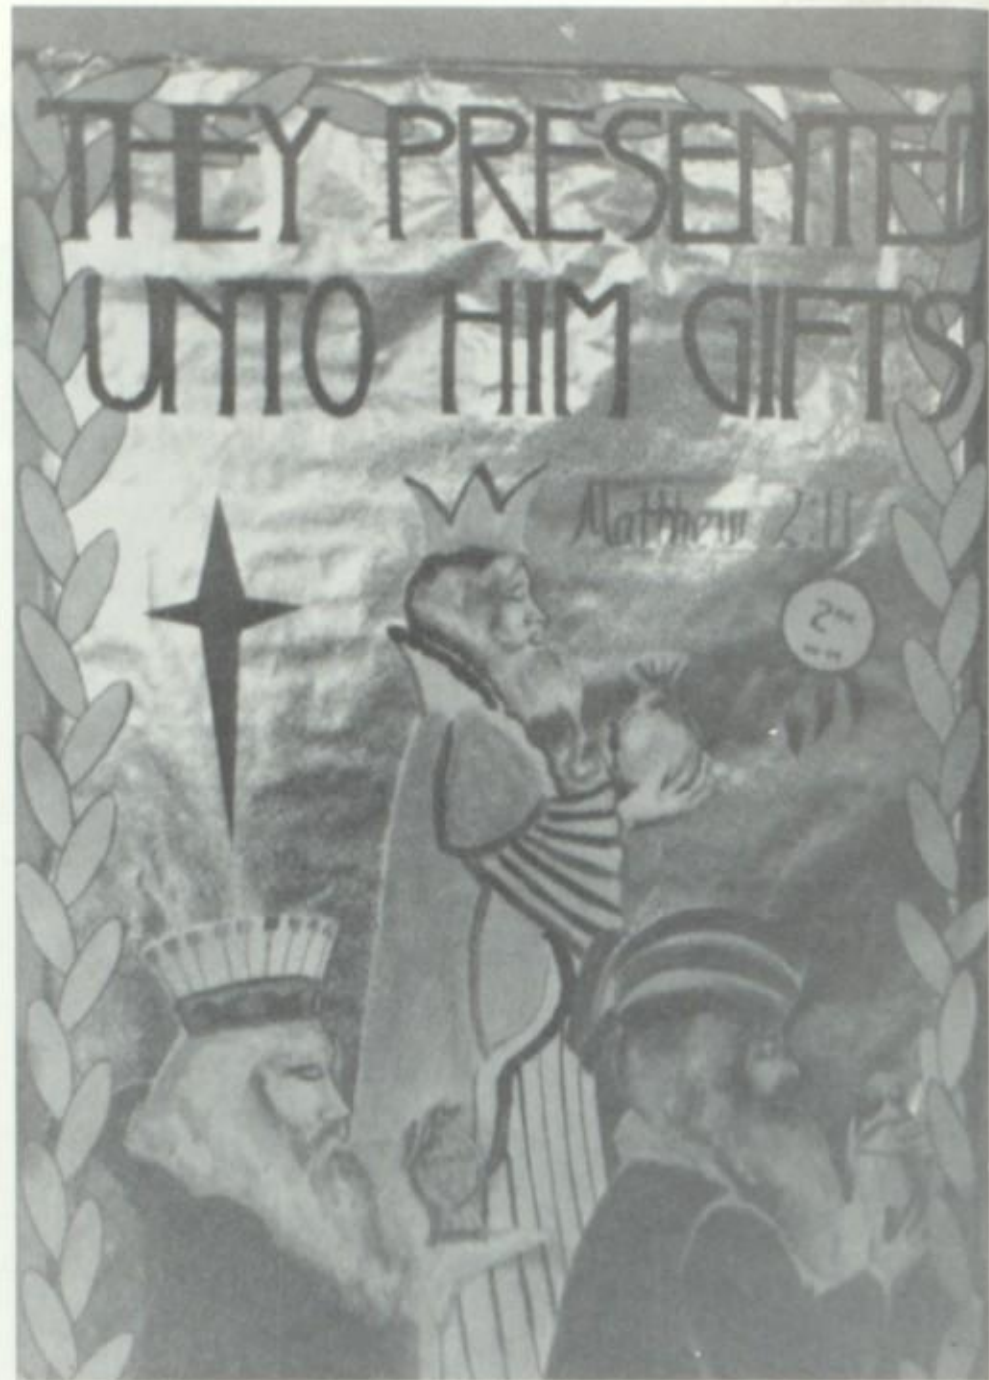

Music by Quality

Honor Band members for 1979 were—Gwyn Crawford, Danny Williams, Curtis Ekker, Cindy Baudin, Mike Gibson, Dave Higgonbotham, Tripp Jackson, James Square, Baribe Butler, Bryan Vinyard, Mark Anderson, Ariel Alexander and Mary Felder.

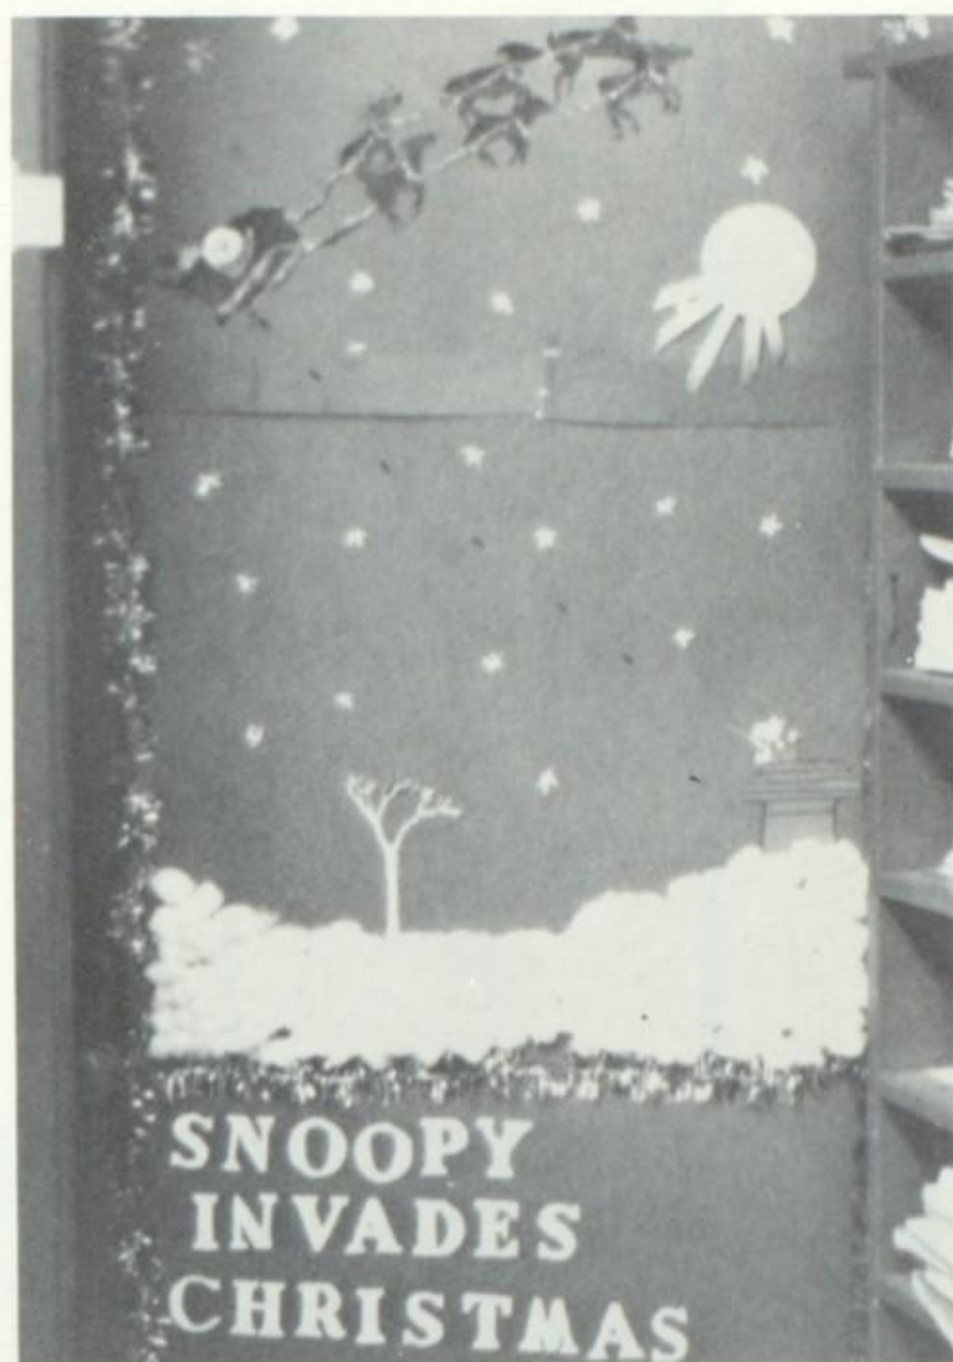

Members of the new Tri-State Honor Band, Ark-La-Tex, were Danny Williams, Gwyn Crawford, Bryan Vinyard, James Square, Mark Anderson, and Ariel Alexander.

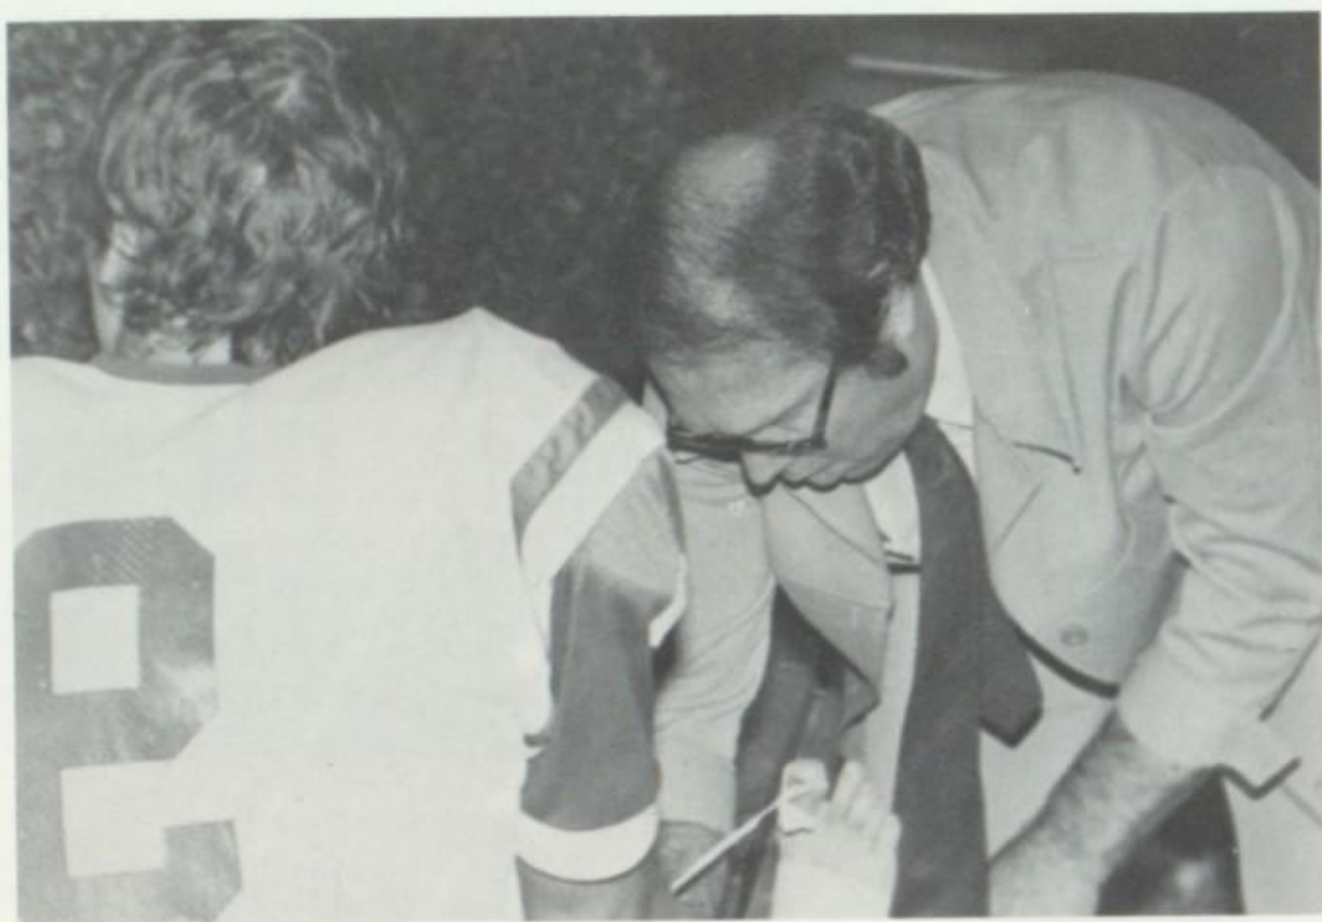

One of the Student Council's main projects is decorating doors for Christmas. Each Homeroom's delegate collects money to pay for the material used in decorating the doors. Along with the help of the homeroom students each delegate sees that his or her's homeroom has an original idea to enter in the 'door decorating contest'. The doors are judged on theme originality, creativity, and neatness.

This year's winning doors were—1st place—Mrs. Shiel, 2nd—Mrs. Allred, 3rd—Mrs. Zabbia. Honorable mention—Mrs. Lee.

A Little Extra Touch

Our Flag and Rifle teams add a little extra touch to our half time show. The Flags add a boast of color while the Rifles show skills at twirling. Besides their boast of color and twirling skills they had a special feature of dancing. This school year 1978-1979 our flag and rifles are small in quantity but large in quality. The Flag Corps consists of . . . Tammy Alvaro—senior, captain, Kim Murray—junior, Terri Sheridan, Ava Phelps—sophomores. The Rifle Corps consists of . . . Captain—Mary Felder, Mary Martha Johnson—Junior, Darlene Laundry—sophomore. Their sponsor Mrs. Rosie Jackson.

Not only does chorus provide new experiences and songs for its members but also the student body because their song echoes throughout the halls, classrooms, and cafeteria.

Chorus is very lucky to have a very talented man, Mr. Jude Wilson as director. Chorus provides music for Christmas programs and provided "An Evening of Entertainment" this past year.

Three's Company

The 1978-79 Majorettes were Captain—Terri Lee and members were Jodi Neihaus and Tammy Harper. Though they were small they showed great talent and ability as they performed our half-time shows. They also helped school spirit by selling banners to cheer our team on. Their many hours of practicing showed not only at the games but in the parades they took part in. Their sponsor, Mrs. Iverstine, helped and encouraged them a great deal during the year.

Wavettes Do It

The talented Wavettes of P.H.S. add color and beauty to the half time show. Their many steps and moves are a result of hard summer practices everyday after school before each performance. As well as half time shows, they add sparkle to parades on special occasions. With the devoted help from their sponsor Mrs. M. D. Davis, the girls managed to place FIRST at camp. The 1978-79 officers for the Wavettes were: Captain Andrea Gregoire, Co-Captain Sheila Vicknair, First Sgt. Stacey Pepitone, Second Sgt. Gail Davis. The members were: Ginger Poche, Lisa Dominguez, Judy Taylor, Sabrina Clark, Brenda Rodriguez, Jamie Bankston, Cindy Mathes, Kim Dietz, Belinda Whitehead, Natalie Boudreaux, Laurie Achord, Rhonda Gainey, Joyce Perrin, Machel Foster, Barbara Keaghey, Theresa Hill.

Senior Staff

Those chosen as the favorites of the senior class were: Barbara Keaghey and Cal Holmes. Runner-ups were Judy Laurent and Bobby Anthony. Their appealing personalities and popularity made them a favorite person to know.

Qualities of leadership were taken into consideration when choosing the class officers for the unique class of 1979. In this manner those carefully elected to office were: Pres.—Marc Steib, Vice-Pres.—Terri Gouedy, Sec.—John Vaughan, and Treas.—Theresa Hill. They helped in making decisions for Senior activities, selecting announcements, class colors, flowers, a class motto, and designing a new crest to signify PHS for years to come.

Our World

Big Boss

At work in the office, the job of Mr. A. J. Bodker is to see that the school year is run smoothly, and taking care of student and faculty affairs. He also arranges assemblies and aids student council activities.

Although Mr. Bodker is a very busy man he finds time to enjoy working with mechanics and going down the river.

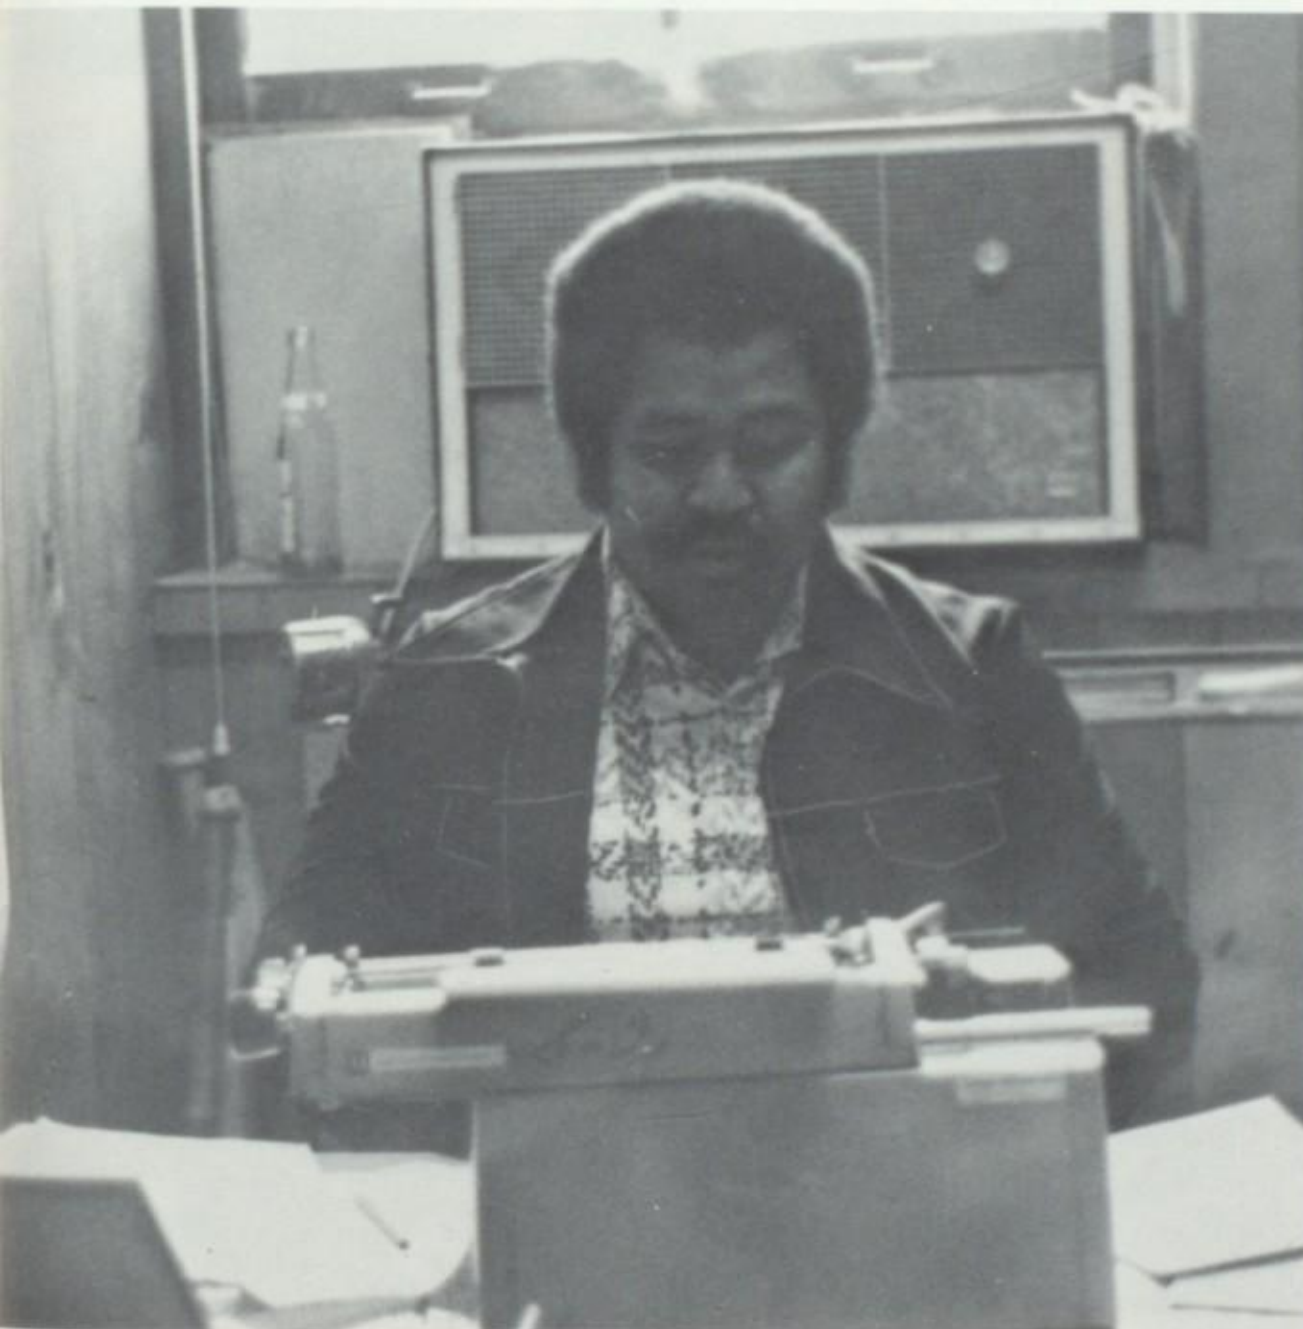

Mr. Bodker received a Master of Education from Louisiana State University and a Bachelor of Arts Degree from Southeastern Louisiana University.

Co-Bosses

Besides listening and assisting teachers and students with their problems at school, Mrs. Dorothy Waldrop is an avid golfer and enjoys reading and sewing in her leisure time.

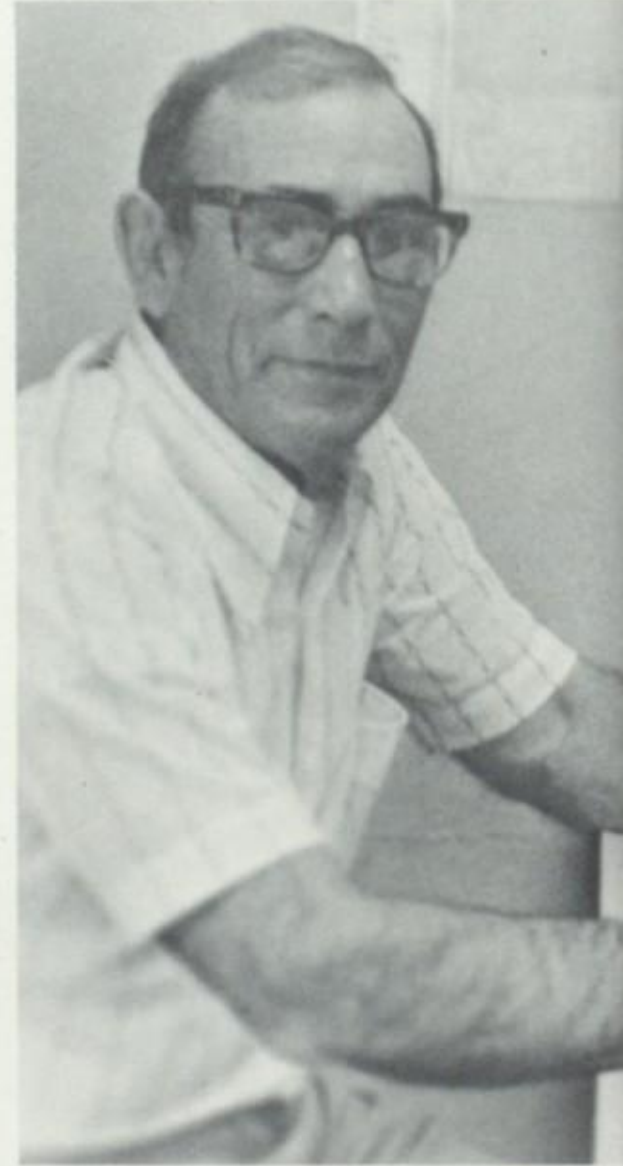

Along with giving aid to students and teachers when others were busy, Mr. Lawrence Thompson enjoys copper tooling and crocheting.

Helping Hands

Counseling the Juniors and Seniors was Mrs. Diane Richardson. She aided the seniors in planning their future and helped those who encountered difficulties in class or schedules. This was Mrs. Richardson's second year at P. H. S.

Lending counsel to the freshmen and sophomores was Mr. Charles Dickerson. He advised the newcoming freshmen and aided both classes in developing schedules to suit their particular needs.

What Would We Do Without 'Em

Carroll Anderson

Mrs. Carroll Anderson, took care of office communications, and business of the High School Office. She also gave secretarial aid to Mr. Bodker.

Running the annex office was Mrs. Lessie Robinson. She was in charge of the students checking in and out of school, also aiding Mrs. Waldrop and Coach Thompson.

Nuclear Power:

More than ever, it's necessary

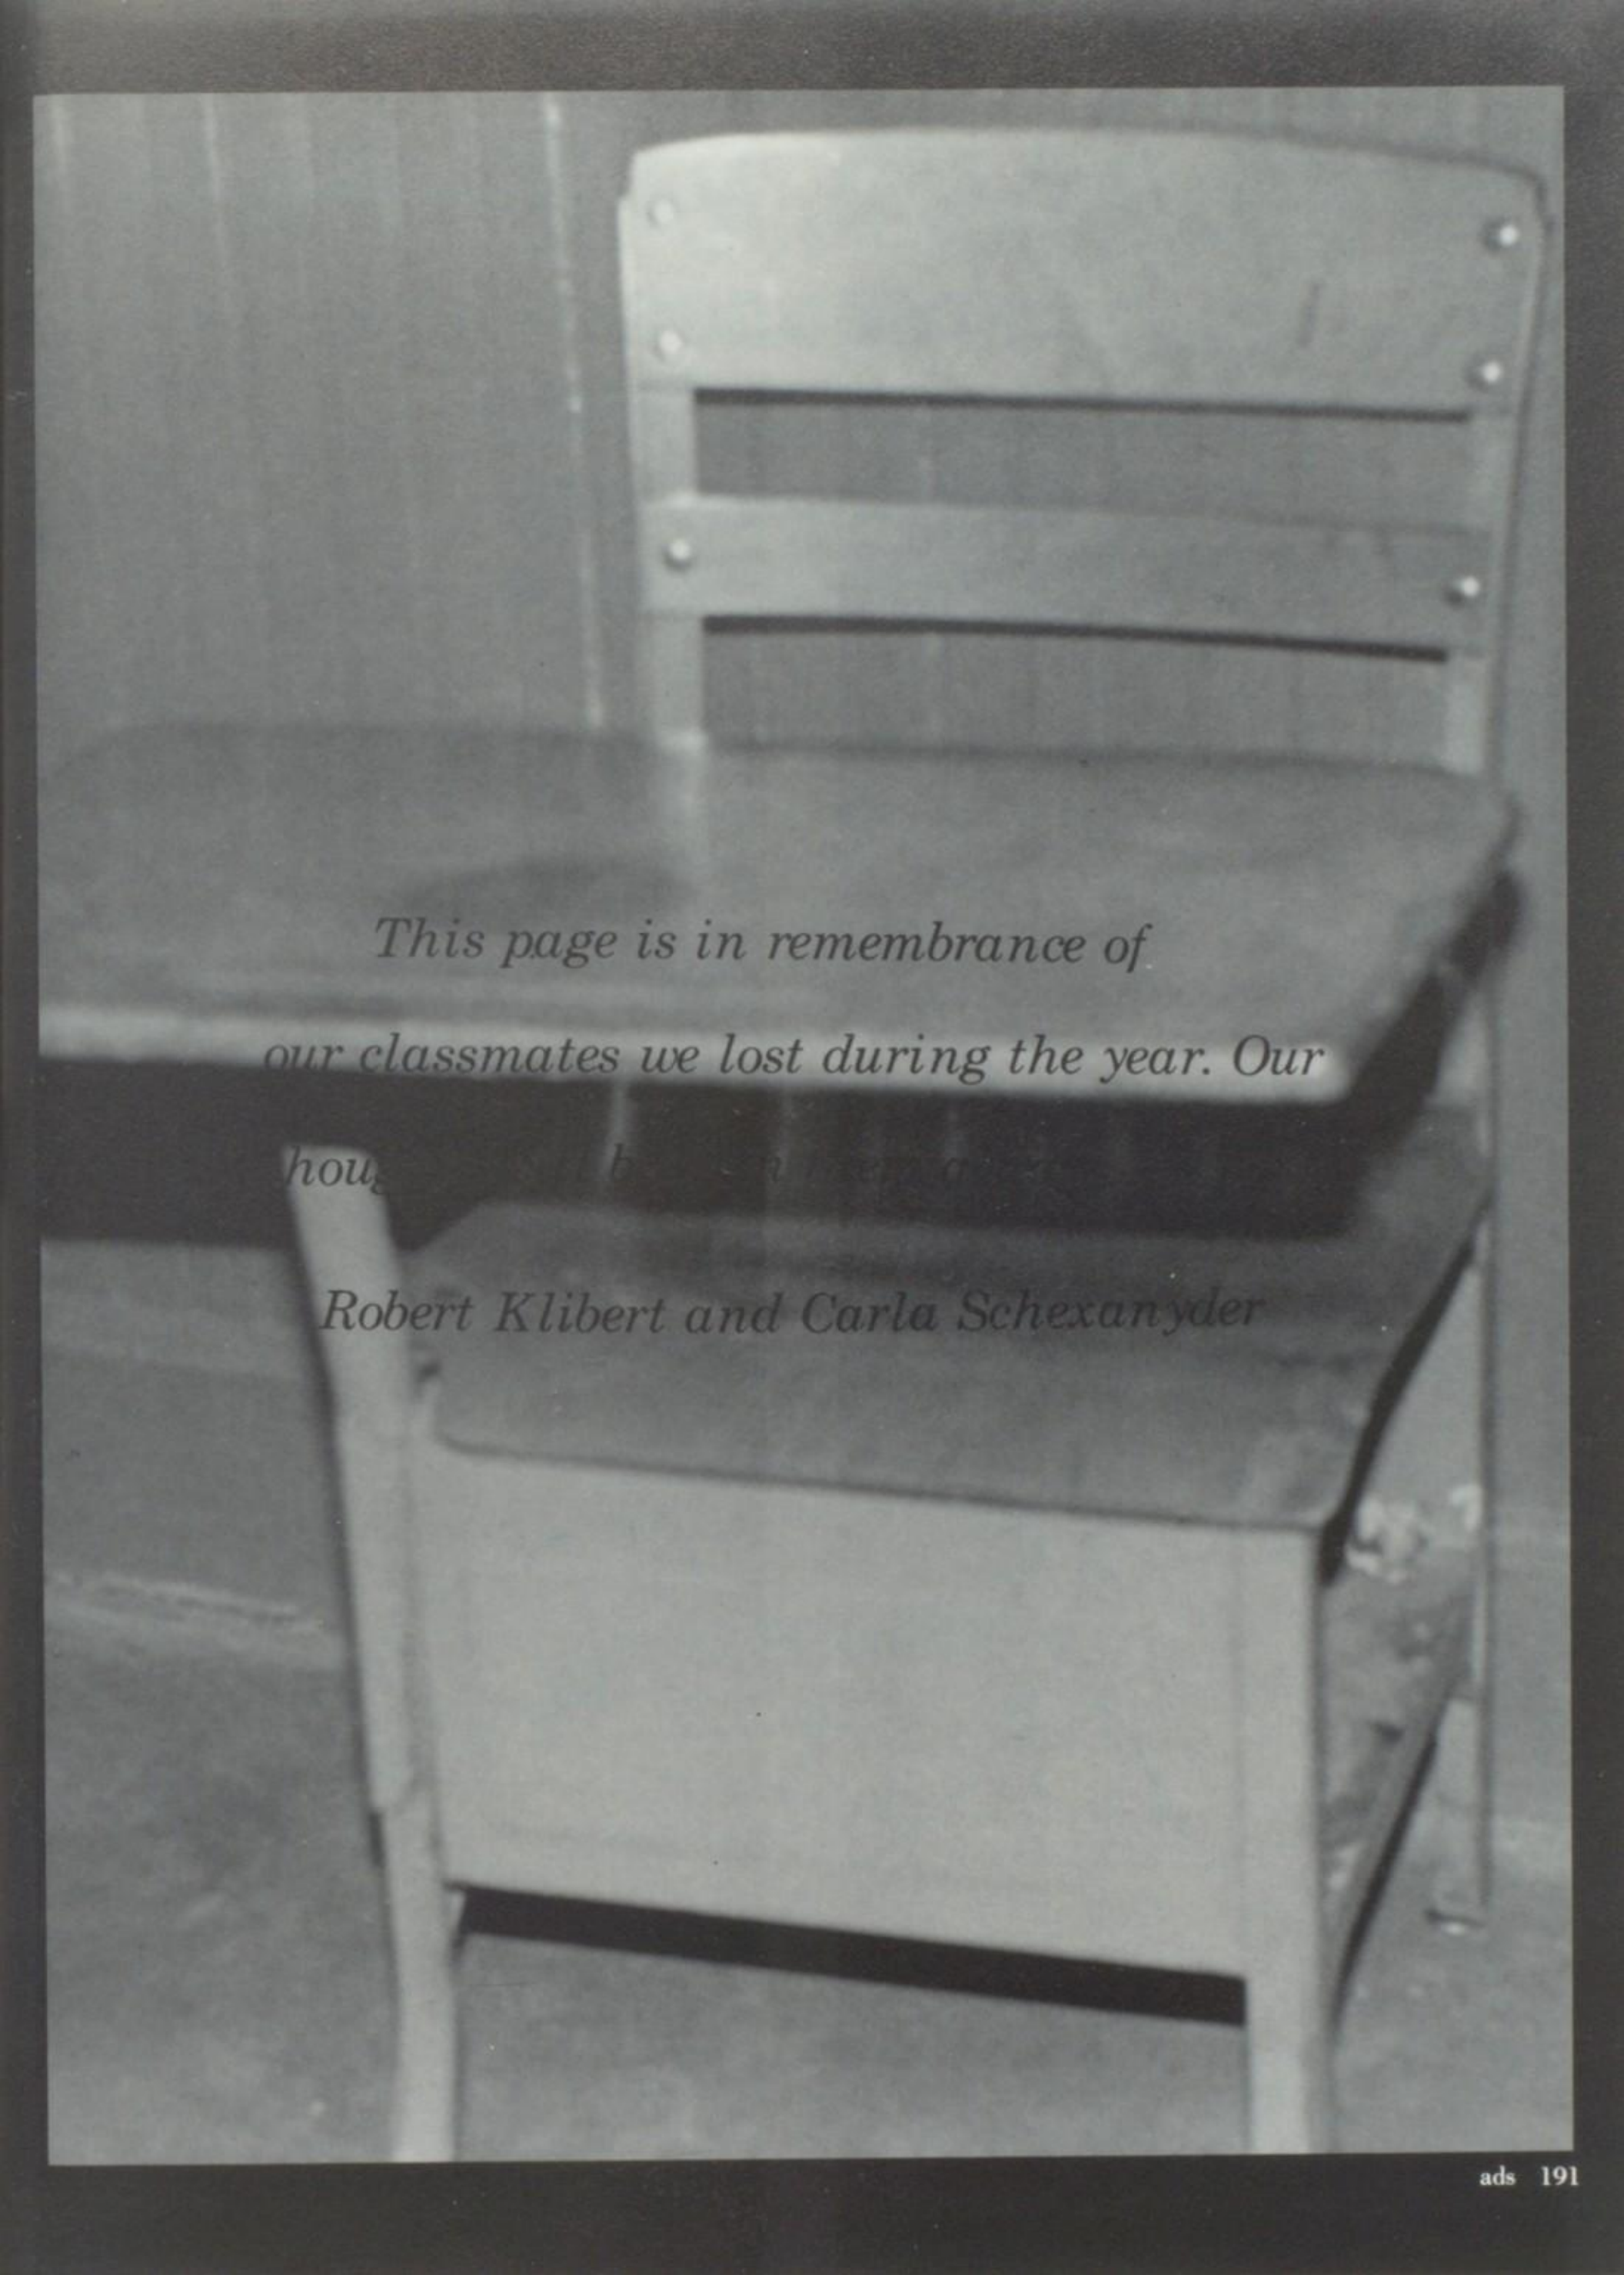

The energy shortage has made one thing very clear: the importance of nuclear power. It can lessen our dependency on fuels in short supply like natural gas and oil. Waterford 3—LP&L's nuclear power plant that is being built 25 miles upriver from

New Orleans—is an important step in this direction. It's vitally needed so that LP&L can continue to meet your electric needs.

This is our world. It's where we live, learn, and love.

We found appreciation for all the fun we had, our togetherness. Memories will linger on from now. Those of the days we spent in our world. We'll always remember the footsteps we took.—But did you notice any cracks in the sidewalks? How many times did you trip up or down the stairs? Oh no! No one had time to look at the ground. Smiles and laughs had to be returned to passers-by. We were usually in a hurry for an important event. Nevertheless days have past away and the time for new footsteps into a new world has rose.

This was our world. It's where we lived, learned and loved.

GREENBACK

Greenback is Ponchatoula High School's yearbook, dedicated to combining special memories of the year. is put together by the GREENBACK STAFF who do not claim to be professional journalists but only volunteer interested in taking part in supplying the student body with a book that can be reflected upon in later day. The Co-editors supply a theme that applies to the school and carries it out throughout the book. The staff meets in Room 33 or in their dark room during 1st lunch as a 4th hour class.
